SUDIP KHATRI
SOFTWARE DEVELOPER

☎ 0481549363   ✉ sudpkhatri4@gmail.com   ● GitHub   ● Portfolio

I am a highly motivated and passionate software developer with experience working as a software developer to deliver different end products. I believe dedication and hard work are two of my salient features, with an attention to detail, that have always helped me with my performance while working individually or in a team of colleagues. I always keep myself open to learn new skills to keep up with the fast-paced industry and to fulfill my objective to become a technology leader down the years.
